

THE SWAWOU LAYOUT COMMUNITY PRIMARY SCHOOL FOR GIRLS

SEPTEMBER 2010 NEWSLETTER

THE NEW ACADEMIC YEAR BEGINS!

The school began the 2010/11 academic year on 24th September after a 3 month summer break.

10 NEW GIRLS ENROLLED!

The Swawou Layout Community Primary School for Girls has selected a further 10 girls to join the school this year. This is thanks to fundraising efforts on the Orkney Isles, Scotland, including a donation from the Orkney Rotary

Club. Swawou School now has a total of 40 pupils of primary class 1 to 3 ability.

SUMMER SCHOOL FUN!

During the 2 month break the girls attended a summer school at Swawou.

The summer lessons gave the girls an opportunity to explore new topics not covered during the academic year. It also served as an orientation

period for the newly enrolled girls, who had the chance to get to know the existing pupils and teachers and get used to learning in a formal setting.
